

Dear Mr Vincent,

Name: Ban Tran Quy  
Class: ICT – Multimedia  
Intake: 2013 – 2016

My Vietnamese full name is Tran Quy Ban, please call me Benedick, it is my English name.

I graduated Hanoi University of Technology, Electronic and Telecommunication faculty in 2004. I worked for a software company for 5 years from 2005 to 2009. I became a teacher of FPT University, a university in Hanoi, from 2010 to now.

I want to study Multimedia because it can help me to improve my knowledge in Information Technology. I also want to research deeply in multimedia to help me in teaching as well as my career. Besides, I need to increase my certification because it is required by my university.

I have basic skill in several programming languages such as Matlab, C, VB, and DB. I can use English fluently.
